

# Travis and Colleen Decker Ottumwa Baptist Temple Ottumwa, Iowa—2018

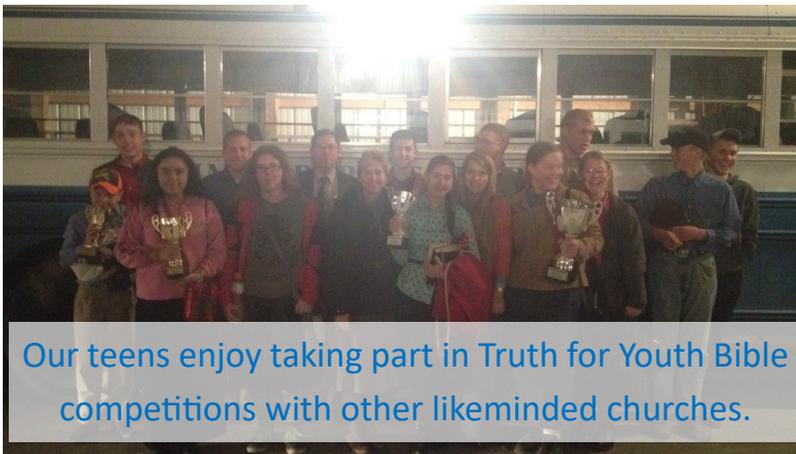

January our oldest daughter, Breanna, was married.

February Valentines Banquet for married couples.

Our annual mission's conference is in March.

Our teens enjoy taking part in Truth for Youth Bible competitions with other likeminded churches.

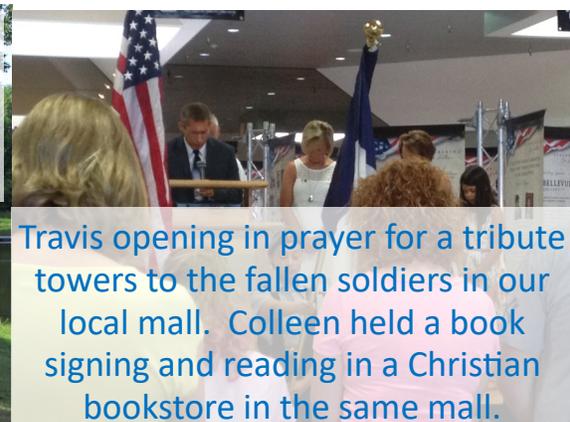

May is our Mother Daughter banquet and is always a well-attended event.

In May our second daughter, Amanda graduated at homeschool graduation

In June we once again hosted our youth camp where five other churches brought young people. A great week of fun, and spiritual growth!

Travis opening in prayer for a tribute towers to the fallen soldiers in our local mall. Colleen held a book signing and reading in a Christian bookstore in the same mall.

July 8-13 was our VBS. The whole church gets involved in these evenings. People from all over town come the entire week with souls being saved and attending church thereafter. One mother who sent her children came to church the Sundays following and was saved this week.

As the fall comes closer we look to Bible studies and lessons during the week. Praise the Lord He allows us to serve Him! We await our first grandchild due in January!!! Exciting times!
