DOCTRINAL STATEMENT

We believe in THE HOLY SCRIPTURE: accepting the writings of the Old and New Testaments as the very Word of God, verbally inspired in all parts and, therefore, wholly without error and altogether sufficient in themselves as our only infallible and authoritative rule of faith and practice. We believe God has preserved His Word for the English-speaking peoples in the King James Version.

We believe in THE ONE TRUE GOD: Who is an intelligent, sovereign, spiritual and personal Being; perfect, infinite, and eternal in His being, holiness and love, wisdom and power; absolutely separate from and above the world as its Creator, yet everywhere present in the world as the Upholder of all things. He is revealed to us as Father, Son, and Holy Spirit, three distinct Persons but without division of nature, essence or being, and each having a distinct ministry in God's relation to His creation and people.

We believe in THE LORD JESUS CHRIST: Who is the second Person of the Triune God the eternal Word and Only Begotten Son; that without any change in His Divine Person, He became man by miracle of the virgin birth, thus to continue forever as both true God and true Man, one Person with two natures; that as Man He was tempted in all points as we are, yet without sin; that as the perfect Lamb of God He gave Himself in death upon the cross, bearing there the sin of the world, and suffering its full penalty of divine wrath in our stead; that He arose from the grave in a glorified body; that as our great High Priest He ascended into Heaven, there to appear before the face of God as our Advocate and Intercessor.

We believe in THE HOLY SPIRIT: Who is the third Person of the Trinity and the Divine Agent in nature, revelation, and redemption; that He convicts the world concerning sin, righteousness, and judgment; that He regenerates, indwells, seals, and anoints all who become children of God through Christ; that He further empowers, guides, teaches, sanctifies, and fills believers who daily surrender to Him. Using Acts 1:8 as our criteria for evaluation, we believe that the evidence of the fullness of the Holy Spirit in the life of the believer is boldness to witness for our Lord and Saviour Jesus Christ. We believe ALL MEN ARE BY NATURE AND CHOICE SINFUL AND LOST: that man was the direct creation of God, made in His image and likeness; that by personal disobedience to the revealed will of God, man became a sinful creature, the father of a fallen race which is universally sinful in both nature and practice, thus alienated from the life and family of God, under the righteous judgment and wrath of God, and has within himself no possible means of salvation.

We believe in SALVATION BY GRACE THROUGH FAITH: that salvation is the free gift of God, neither merited nor secured in part or in whole by any virtue or work of man, but received only by personal faith in the Lord Jesus Christ, in whom all true believers have as a present possession the gift of eternal life, a perfect righteousness, deliverance and security from all condemnation, every spiritual resource needed for life and godliness, and the divine guarantee that they shall never perish; that this salvation affects the whole man; that apart from Christ there is no possible salvation.

We believe in RIGHTEOUS LIVING AND GODLY WORKS: not as a means of salvation in any sense, but as its proper evidence and fruit; therefore, as Christians we should obey the Word of our Lord, seek the things which are above, walk as He walked, accept as our solemn responsibility the duty and privilege of bearing the gospel to a lost world, remembering that a victorious and fruitful Christian life is possible only for those who in gratitude for the infinite and undeserved mercies of God have presented themselves wholly to Christ.

We believe in THE EXISTENCE OF SATAN: who originally was created a holy and perfect being, but through pride and wicked ambition rebelled against God, thus becoming utterly depraved in character, the great adversary of God and His people, leader of all other evil angels and wicked spirits, the deceiver and god of this present world: that his powers are vast, but strictly limited by the permissive will of God who overrules all his wicked devices for good; that he was defeated and judged at the cross, and therefore his final doom is certain; that we are able to resist and overcome him only in the armor of God, by the blood of the Lamb and through the power of the Holy Spirit. We believe in THE SECOND COMING OF CHRIST: that His coming in the air to rapture the saints, which is our blessed Hope, is always imminent; that when He has first by resurrection of the dead and translation of the living removed from the earth the waiting saints, He will then pour out the righteous judgments of God upon the unbelieving world and afterwards descend with His Church and establish His glorious and literal kingdom over all the nations for a thousand years.

We believe in FUTURE LIFE, BODILY RESURRECTION AND ETERNAL JUDGMENT: that the spirits of the saved at death go immediately to be with Christ in Heaven, that their works shall be brought before the Judgment of Christ for the determination of rewards which will take place at the time when Christ comes for His own; that the spirits of the unsaved at death descend immediately into Hell where they are kept under punishment until the final day of judgment, at which time their bodies shall be raised from the grave, that they shall be judged and cast into the lake of fire, the place of final and everlasting punishment.

We believe in THE SEPARATION OF CHURCH AND STATE, with each having definite and distinct spheres of responsibility.

We believe in THE PRIESTHOOD OF ALL BELIEVERS: that Christ is our Great High Priest and through Him every born-again person has direct access into God's presence without the need of a human priest; that the believer has the right and responsibility to personally study and interpret the Scriptures guided by the Holy Spirit.

We believe in THE IMPORTANCE OF THE LOCAL CHURCH: that a New Testament church is a congregation of baptized believers associated by a covenant of faith and fellowship of the Gospel observing the ordinances of Christ, governed by His Laws, and exercising the gifts, rights, and privileges invested in them by His Word; that its officers of ordination are pastors or elders and deacons, whose qualifications, claims and duties are clearly defined in the Scriptures; we believe the true mission of the church is found in the "Great Commission": first, to make individual disciples; second, to baptize the converts; third, to teach and instruct as He commanded.

We do not believe in the reversal of this order; we hold that the lo-

cal church has the absolute right of self-government, free from the interference of any hierarchy of individuals or organizations; and that the one and only superintendent is Christ through the Holy Spirit; that it is scriptural for true churches to cooperate with each other in contending for the faith and for the furtherance of the Gospel; that every church is sole and only judge of the measure and method of its cooperation, on all matters of membership, policy, or government, of discipline, of benevolence, and the will of the local church is final.

We are also a Baptist institution which holds to historic Baptist distinctives in its doctrinal position. Fairhaven Baptist College is an arm of the local church. The college makes plain the New Testament teaching of the local church organization and reflects its autonomy and sovereignty.

We believe THE ORDINANCES GIVEN TO THE LOCAL CHURCH ARE TWO, BAPTISM AND THE LORD'S SUPPER: that baptism is by immersion of believers, thus portraying the death, burial, and the resurrection of Jesus Christ; that the Lord's Supper is the partaking of the bread and cup by the believer as a continuing memorial of the broken body and shed blood of Christ.

We believe in MISSIONS AND MISSIONARIES: that all men everywhere are lost and condemned and that the command to go and preach the Gospel to the world is clear and unmistakable and this commission was given to the churches. Following New Testament precedent and example, we believe that all missionary endeavors should be under the ultimate sponsorship of the local congregation which may utilize the facilities and services of mission boards, but that no mission board should ever misconstrue its purpose to attempt to hold or to assign authority to itself.

We believe in THE GRACE OF GIVING: that God's method of financing His earthly work of spreading the Gospel to all nations, the care of the churches and the support of the ministry, is by the tithe and offerings of God's people. We believe that it is to be given to the Lord through His church or storehouse to be distributed as directed by the leadership of the Spirit, as the need arises. We believe that the time to tithe is upon the first day of the week. We also believe that everyone is accountable to the Lord for a minimum standard of giving of onetenth of his income and that offerings are to be given above the tithe as God has prospered the individual.

We believe in SEPARATION FROM THE WORLD: that it is a command of God that all believers separate from all forms of godlessness, apostasy, compromise and worldliness. We are against short skirts, long hair on men, rock music, drugs, and everything else the Bible teaches against. In addition, the policy of neutralism is just as Scripturally untenable.

THE STUDY OF GOD'S WORD, FOR THE PURPOSE OF DISCOVERING GOD'S WILL, IS THE SECRET DISCIPLINE WHICH HAS FORMED THE GREATEST CHARACTERS.

ADVANTAGES

 \cdot SIZE – Fairhaven Baptist College is a small school with intensive character building. A family-like atmosphere prevails with personal attention given to every student. Instead of being another number in a large college, students have close communication with the administration and faculty.

• PRACTICALITY – Along with traditional academic courses, students are taught the successful methods of the pastorate, youth ministry, camp ministry, bus ministry, senior citizens' ministry, church office, and Christian education by those who are now succeeding in these fields.

• EXPERIENCE – All students are directly involved in the ministries of Fairhaven Independent Baptist Church, which during its history grew from an average of 90 to an average of 2,000 in six years. Fairhaven has continued to grow and has one of the largest bus ministries in the world. Education students gain experience in Fairhaven Christian Academy.

• SOULWINNING – Every student is involved in the various ministries of the church and is active in a soulwinning program. Many of America's outstanding preachers help keep Fairhaven's chapel program spiritually challenging and fervent.

• SEPARATION AND CHARACTER BUILDING – Worsening conditions of our country depict the weakness of our fundamental pulpits. In a day when the words "separation" and "discipline" are used frequently but loosely, their true meaning is found at Fairhaven Baptist College. We endeavor to instill the type of grit into our students that will compel them to stand against the Lord's adversaries no matter what the consequences.

• STRONG ACADEMICS – Fairhaven Baptist College assures the student of being academically equipped to accomplish the job the Lord has called him to do. Students receive a solid base of scholarship by well-qualified, hand-picked professors. • OUTSTANDING FACILITIES – The campus of Fairhaven Baptist College is comprised of 65 acres, 50 of which are developed. There are over 260,000 square feet of building and classroom space along with high-quality equipment.

• LOCATION – Even though Chesterton is a quaint country town, it is only a one-hour drive from Chicago and all of its advantages.

• NEAR LAKE MICHIGAN – The Chesterton area is called "The Gateway to the Dunes" because it sits on the edge of the Dunes National Park on Lake Michigan. With over 10,000 acres to the park, students can enjoy boating, hiking along the sand dunes, horseback riding, and fishing in the "Coho Salmon Capital of the World." The college is located just a mile from the main entrance to this park.

• PREACHING CONFERENCE – Each year Fairhaven Baptist Church holds one of America's finest preaching conferences. Great evangelists and preachers are invited from all across America to preach during this time.

• INEXPENSIVE – While it is necessary to charge tuition and fees sufficient to meet necessary expenses, it is the goal of Fairhaven Baptist College to keep costs to a minimum. In comparison, Fairhaven Baptist College has one of the lowest room, board, and tuition rates of any Christian college in the nation.

The Record

• FAIRHAVEN BAPTIST CHURCH was founded in October of 1970 by Pastor Roger Voegtlin with 14 people attending the first service. After struggling through the first year, the church blossomed into one of America's fastest growing ministries. At four years old, the church was running a solid 500 in attendance, had beautiful new facilities including a 500-seat auditorium, 40 acres of land, and an academy with over 350 students in kindergarten through eighth grade.

It was at this time that Pastor Voegtlin and Fairhaven Baptist Church began to battle the government over rights to train children for God. The church's bus attendance fell drastically. Over \$100,000 was spent for the fight, but God blessed. There was great victory, and the church was nationally acclaimed for its stand.

The third chapter of Fairhaven's history began at the time of this victory. A 2,000-seat auditorium was built, and then another large classroom wing was added. In the next four years, the attendance jumped by 1,500 to average 2,000 per Sunday. By the 8th anniversary, Fairhaven was recognized as America's largest and fastest growing young church with a high attendance of over 5,600.

• FAIRHAVEN BAPTIST COLLEGE was founded in 1977 as a small, personal college with strong academics and practical training for those entering full-time Christian service. The students at Fairhaven Baptist College enjoy facilities that are normally found only at larger institutions. This is part of Fairhaven's philosophy of "doing things right." The classroom wing includes a computer lab, chemistry lab, spacious classrooms, and a shop area for the mission students.

Because of God's blessing on the church, college students enjoy beautiful, expansive facilities. A 58,000 square foot all-purpose building was completed in 2006, which houses a modern library, large indoor pool, a gymnasium, workout rooms with extensive aerobic equipment including ellipticals and treadmills, free weights and Nautilus-type equipment, a racquetball court, and an ice cream parlor. This brings our total square footage to over 260,000.

The girl's dormitory is a three-floor, Tudor-style building with a wood-beamed cathedral ceiling. The men's dormitory is a three-floor, western-style building with stuffed wild game and western sculptures throughout. Both dormitories overlook our picturesque 20-acre lake. At the present time, Fairhaven's property is valued at over 25 million dollars.

• FAIRHAVEN CHRISTIAN ACADEMY is known throughout the nation for its high academics and discipline. It is not unusual for the average student to grow 2-3 years academically during the school year. The students are taught character, patriotism, and respect for authority.

The teachers in the academy enjoy spacious classrooms with modern equipment. All of the teachers are soulwinners and have various ministries in the church.

• CAMP FAIRHAVEN was started in the summer of 1973. During the 40 years of this exciting ministry, hundreds of children have been saved, and many of these children have enrolled in the academy.

Camp activities include canoeing and fishing in a lake stocked with trout and bass, swimming, archery, horseback riding, and field trips.

• CHRISTIAN SERVICE – There are many opportunities for students to put their classroom instruction to use. In addition to helping in Sunday school classes or junior churches, students are also involved in preaching to the teens or the Master's Club groups, working in the bus ministry, Spanish ministry, Jolly 60s ministry, Help4U ministry, preaching in nursing homes, and working in the fifth and sixth grade youth group.

The experience the students gain in these various ministries proves invaluable later on in life.

• CHAPEL SERVICE – The chapel pulpit is "hot" at Fairhaven Baptist College. In addition to the faculty speaking, preachers are brought in from the surrounding communities as well as from across the nation to preach to the student body.

• DORMITORY LIFE – Fairhaven Baptist College requires that all single men and women under twenty-five years of age live in our dormitories except those living with their families.

The dormitories are maintained for students not only to provide economical lodging but also to give students a home away from home.

Both men and women find dormitory life enjoyable. The rooms are large and completely carpeted.

Each student is expected to furnish linens, pillow, bedspread, and blankets for a single bed and should be prepared to share expenses for an ironing board, broom, and trash can.

Students are welcome to bring something to decorate their rooms or to make them comfortable and more like home.

• STUDENT MOTOR VEHICLES – Any student at Fairhaven Baptist College may own and operate a motor vehicle. However, all motor vehicles must be registered with the Business Office at the beginning of each semester and are subject to college regulations. • HEALTH SERVICE – A physical examination is required of all new students prior to enrollment. Fairhaven Baptist College does not accept responsibility for illness or accidents on or off campus, in extracurricular games, or in sporting activities. Students use the school facilities and participate in school-directed or related activities at their own risk.

• RULES AND REGULATIONS – Specific policies applying to various areas of life on campus and in dormitories are in the student handbook and will be given out upon arrival. These rules are reasonable and necessary for successful Christian living while enrolled at Fairhaven Baptist College.

SPORTS

The sports program at Fairhaven is not designed to produce "star" athletes but, rather, to develop strong character and a philosophy of teamwork. Fairhaven provides an array of intercollegiate sports for men. Students enjoy participating in sports such as football, basketball, soccer, swimming, and wrestling.

"UPON THE FIELDS OF FRIENDLY STRIFE ARE SOWN THE SEEDS THAT UPON OTHER FIELDS, ON OTHER DAYS, WILL BEAR THE FRUITS OF VICTORY."

If the student is able to do this after one semester, he may enroll as a full-time student the following semester. If the student is not able to achieve this, he will be dropped from his program of study. After sitting out for one semester, a student may request permission to resume his program of study. If at the end of this semester there is not sufficient progress as determined by

All absences are considered personal except for those as a result of extended sickness (four or more consecutive days) with a doctor's excuse, a death in the immediate family, involvement in a college activity, or any absences from adding a class after registration (the drop/add period will be two weeks); and these absences will be included in the total number of absences allowed. I – Incomplete is a temporary grade used by the instructor in cases where a student is unable to complete course requirements because of circumstances beyond the student's control, such as illness, family emergency, or other similar circumstances. It is assigned only if the student has satisfactorily completed the major portion of the course requirements and has convinced the dean of his or her ability to complete the remaining work without registering for the course again. An incomplete grade received in a spring, fall, or summer semester must be removed by the official examination period of the next succeeding semester or it automatically becomes a grade of F. The student's deadline for submitting the outstanding work to the instructor shall be one week before that date. No semester honors will be given if the student receives a grade of incomplete at the official end of the semester concerned.

AU – Audited courses receive no grade or quality points.
